ARMY & NAVY NAVAL MILITIA NEW CUTTERS ON BAY CITY PIER

Members of the naval militia suffered a disappointment yesterday, when the two 30-foot cutters due here from the Brooklyn navy yard for the sole use of the territorial organization failed to arrive on the Wilhelmina.

It is hoped that they will be brought on the Manoa which is scheduled to leave next Friday, though with strike conditions still existing on the coast this may be doubtful, and it is said she will only carry ice house freight. The cutters were on the wharf at San Francisco when the Wilhelmina left there last week.

GET IN SHAPE FOR MILITARY DRILL SUNDAY

With finals in the military tournament of the 1st Infantry, N. G. H., only a few days away, officers and men here are bending all efforts to get in tip-top shape for the big event. The finals are to be next Sunday morning at 9:30 o'clock.

Though no admission is to be charged to the grounds, a section of the grandstand is to be reserved for invited guests, which will include officers of the army and their wives, guardsmen from other islands and Governor Pinkham and territorial officials.

Invitations will be issued. It was said today at guard headquarters, and it is the intention to make the tournament one of the biggest events of the year.

SCHEME OF RICH FAILS TO GAIN HIS DISCHARGE

A three-cornered scheme to get Pvt. Joe Rich out of the United States army was upset Monday when the police failed to do what the plotters expected of them. Rich is now in charge of military authorities awaiting court-martial at Fort De Russy.

Upon information furnished by two Hawaiians late Monday afternoon liquor inspector W. P. Fennell arrested Rich on a charge of selling liquor without a license. Rich passed the bottle to Detective Ben Jacobson in return for two marked coins. But the fact that Rich took the whole matter so nicely made the police suspicious.

Investigating, they learned that the Hawaiians had been encouraged by Rich to betray him, which the Hawaiians were glad to do in hopes of pay as informers. Rich thought he would be sentenced to a few months in jail and get an immediate dishonorable discharge from the army.

According to the police he now stands a good chance of getting six months in federal servitude, maybe without pay, and no discharge.

THE "VAMPIRE WOMAN" WILL SHOW AT SHAFTER TONIGHT

There are few better known or more thrilling novels in our literature than Miss Braddon's masterpiece, "Lady Audley's Secret," and there is probably no artist of the picture world more capable for the title role than the "Vampire Woman," Miss Theda Bara. Tonight the Shafter people have it in their aerodome and a large audience is looked for. On Thursday evening they have a bumper night, for, in addition to the usual five reels of pictures, they are to have the entire vaudeville program from the National theater.

The following program has been issued for tonight and looks to be well varied and good, Sgt. Francis Leigh being once more back at work again after his spell in the hospital:

NO LOCAL PLANS YET TO ARRANGE TRIBUTE TO LORD KITCHENER

As far as E. L. S. Gordon, local British consul, has been advised, plans have not yet been made for any service or other ceremony as a tribute to Lord Kitchener.

Consul Gordon stated yesterday morning that there was some doubt in his mind as to the authenticity of the report of Kitchener's death, but remarked today that the report now is "evidently true." He has not received any official communication of the Hampshire disaster, stating that the transmission of such information by the home government to its agents and representatives is not customary. England, through the death of Lord Kitchener, suffers a loss equal to that suffered in the passing of the late Lord Roberts, in the opinion of Consul Gordon.

Remember the Heat of last summer—

and how you wished for an electric fan?

BUT you just put off coming down to find out about them ---didn't know how little they cost---and so you spent the whole long summer sweltering and worrying and waiting for cooler days,—your wife weary and on a nervous edge at the end of every day; your children discontented; your office force lifeless and losing time trying to keep cool.

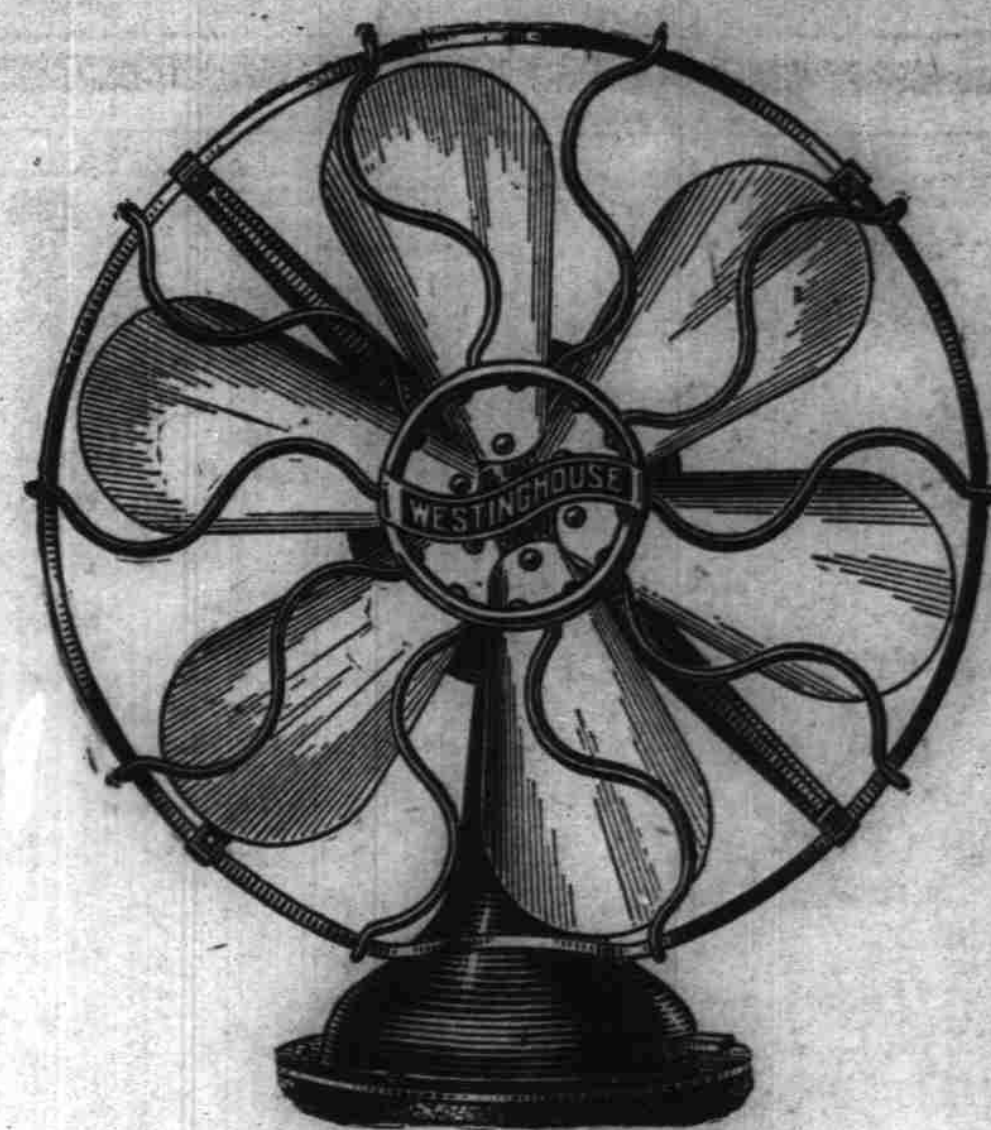

This year---enjoy the coolness of a
